- 2000 Memperoleh persetujuan uji mutu dari :
  - \* Tokyo Electric Power Company Japan.
  - \* Chugoku Electric Power Company Japan.
  - \* Hokkaido Electric Power Company Japan.
  - \* MITI (Japan Industrial and Trade Ministry)
 Acquired Type Test Approval from:
  - \* Tokyo Electric Power Company Japan.
  - \* Chugoku Electric Power Company Japan.
  - \* Hokkaido Electric Power Company Japan.
  - \* MITI (Japan Industrial and Trade Ministry).
- 2001 Memperoleh kualifikasi untuk JIS ( The Japanese Industrial Standard ) Mensuplai :
  - \* Insulated wire (OW-I, SN-OC, OC-I) ke Kansai Electric Power Company Japan.
  - \* Kabel Tegangan Menengah ke MERALCO (Manila Electric Power Company)
 Acquired the Qualification of JIS ( The Japanese Industrial Standard ) Supplied :
  - \* Insulated wire (OW-I, SN-OC, OC-I) to Kansai Electric Power Company Japan
  - \* Medium Voltage Cable to MERALCO (Manila Electric Power Company)
- 2002 Memperoleh standar sistem manajemen mutu dari SGS, Sertifikat ISO 9001 : 2000 untuk Kabel Listrik & Kabel Kontrol, Kabel Telepon & Kabel Fiber Optik dan Kawat Tembaga.  
 Acquired quality management system standard from SGS, ISO 9001 : 2000 Certificate for Power Cable, Control Cable, Telephone Cable & Fiber Optic Cable and Copper Wire
- 2005 Penambahan line proses untuk Kabel Instrumen  
 Extended the Instrument Cable Line

Power Cable

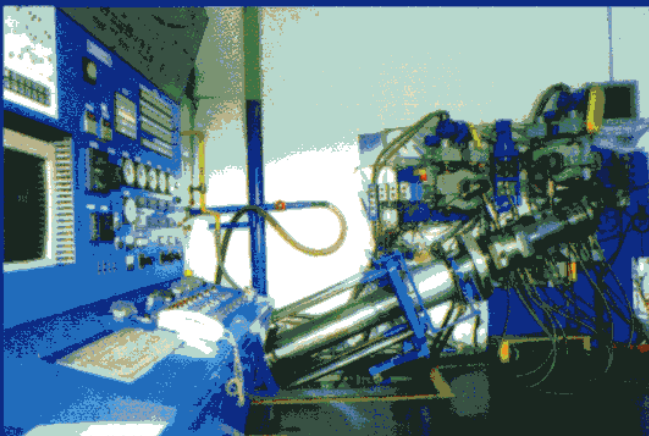

Telephone Cable

Fire Resistant Cable

## POWER CABLE PLANT

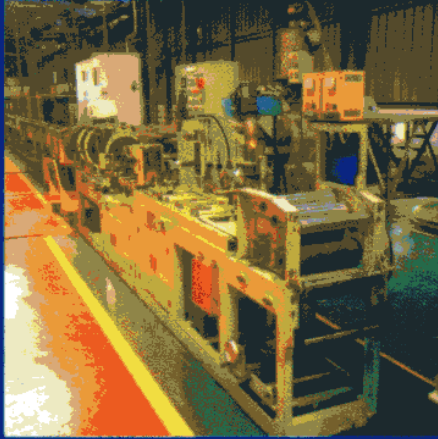

CCV Line

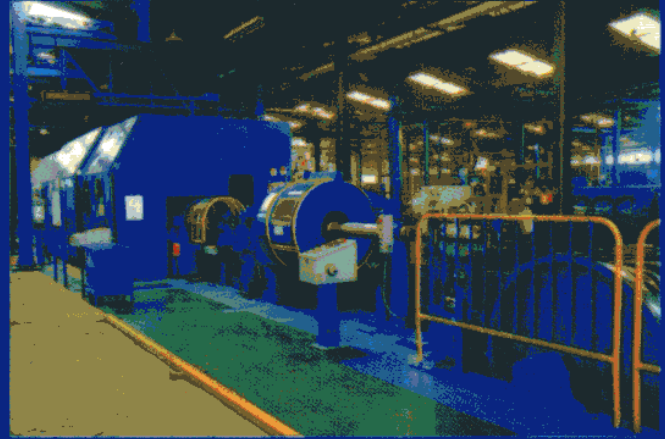

Stranding Process

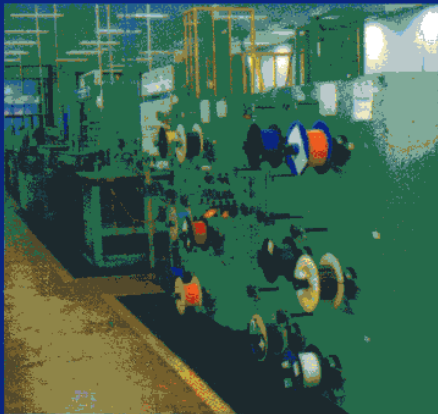

TELEPHONE & FIBER OPTIC PLANT

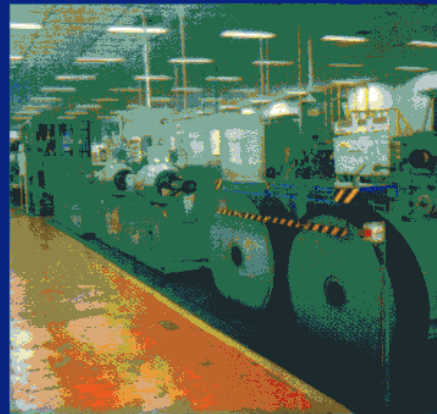

Sheathing Process

Cabling Process

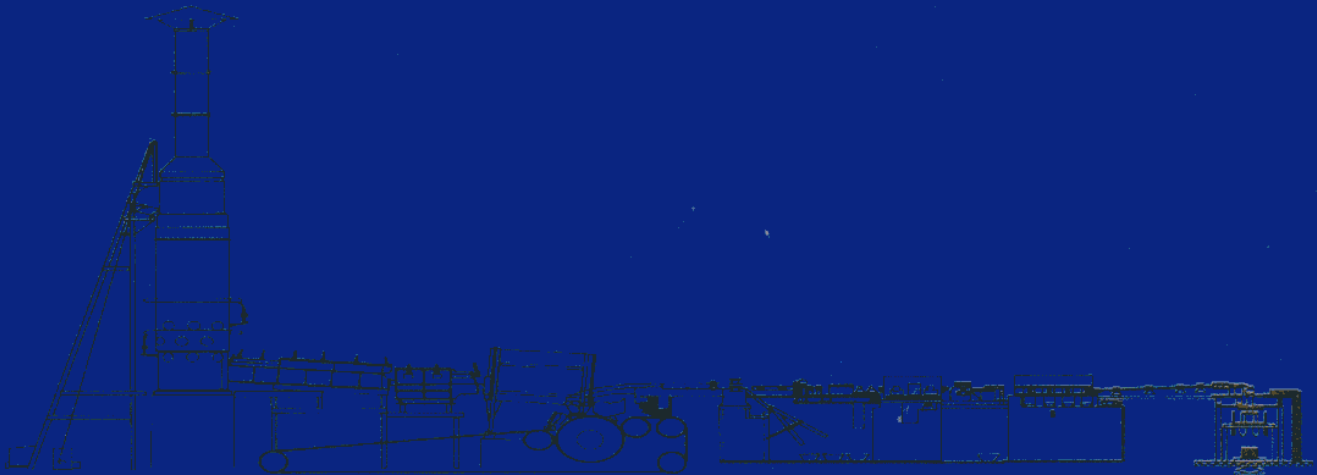

Loose Tube Extruding Process

Loose Tube Stranding Process

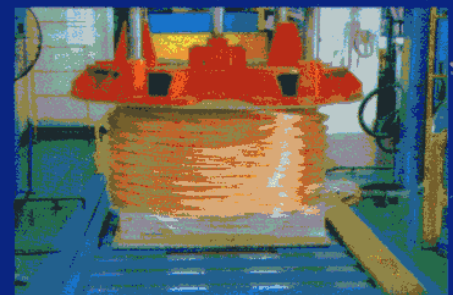

COPPER ROD PLANT (PT. KARYA SUMIDEN INDONESIA)

Casting Machine

Rolling Mill

Coiler

**HASIL PRODUKSI**  
*Product Range*

**BARE COPPER**

- Copper Wire
- Tin Coated Copper Wire

**TELEPHONE CABLES**

- Copper & Fiber
- Aerial Application
  - Duct Application
  - Direct Burial Application

**POWER & CONTROL CABLES**

- Bare Conductor ACSR, AAC, AAAC
- Power Cable
  - LV (Low Voltage)
  - MV ( Medium Voltage) up to 36 KV for Under Ground, Overhead
- Control & Instrument Cable
  - Multi - Core , Duplex, Triplex
- Shielded, for Under Ground, Tray

**SPECIAL APPLICATION**

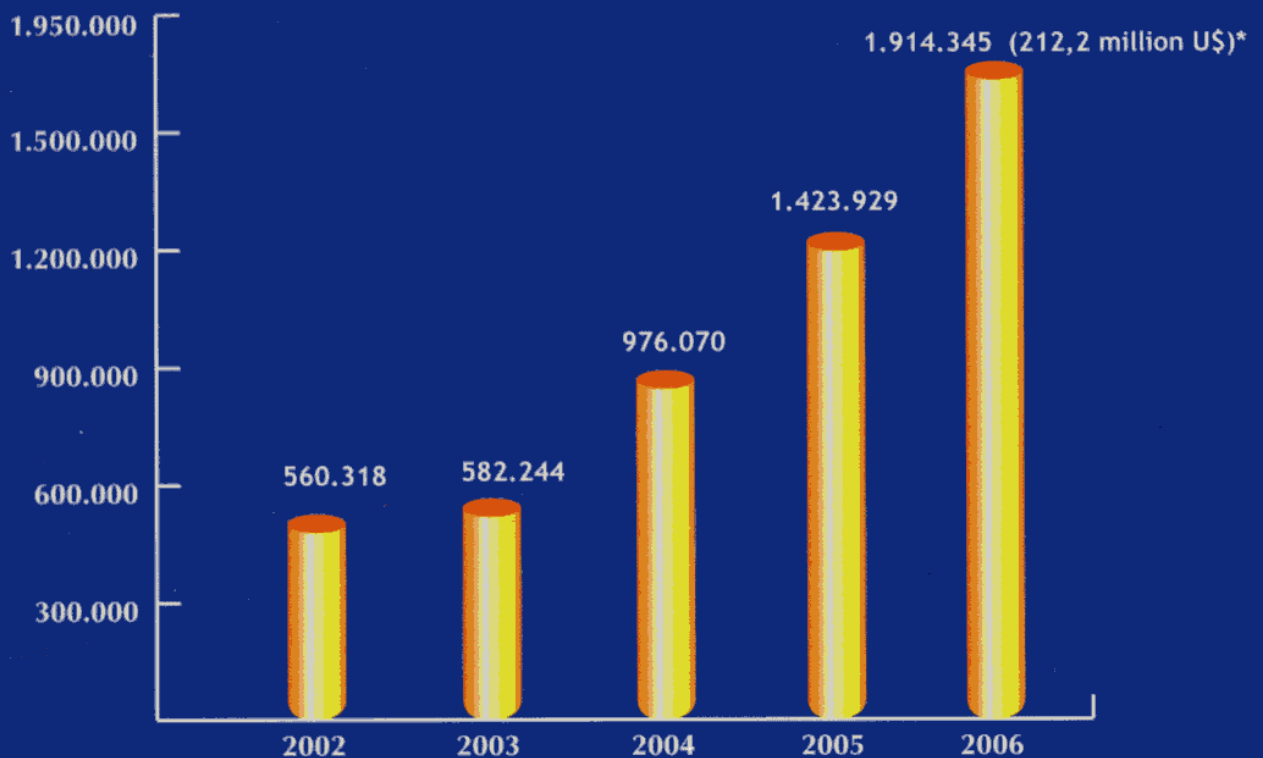

- Flame Retardant
- Fire Resistant
- Anti - Termite
- Anti - Rodent
- Halogen Free
- Sunlight Resistant
- Oil & Chemical Resistant

**APPLICATION STANDARD**

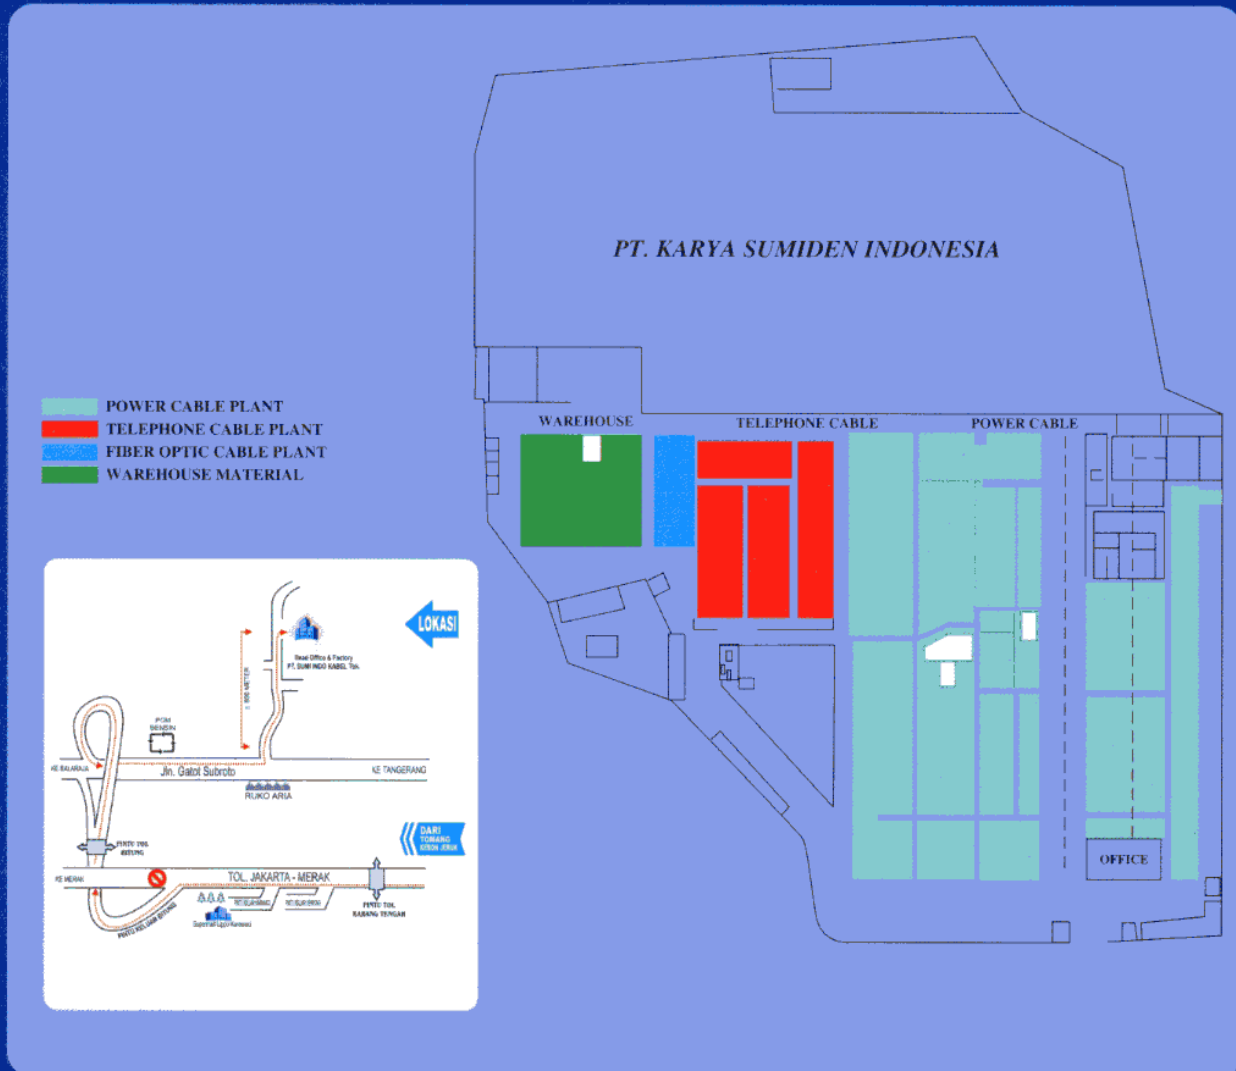

- |        |        |        |
|--------|--------|--------|
| • IEC  | • AEIC | • JIS  |
| • ASTM | • BS   | • SPLN |
| • ICEA | • VDE  | • SII  |

**PENJUALAN BERSIH**  
*Sales Amount*

**Penjualan Bersih / Net Sales**  
**Dalam Jutaan Rupiah / In Million Rupiah**

Note: \* Dollar figure herein refer to U.S. currency. Rupiah amounts have been translated, for confenience only at the rate of Rp. 9.020 to U.S.\$1, the approximate exchange rate prevailing on December 29, 2006.
